

# EUDY JUNIOR CAMP 2023

Flachau, Austria

"DEAF YOUTH BE GREEN"

Extra Announcement

April 2023

## INTRODUCTION

Dear member organizations of EUDY,

It is great to hear from you again. It sounds like the EUDY Junior Camp 2023 is coming soon, with only four months left until the camp. We would like to apologize for our delay in providing important information, particularly with regards to the camp fee. As some of you may know, the current economic situation has impacted some aspects of the camp, including the camp fee, which is dependent on the economic environment. Thank you for your patience and understanding.

In addition, we decided to share an extra announcement with you regarding several issues:

- A table of Erasmus+ and non-Erasmus+ countries
- A table of costs for covering transportation like flight, bus or train.
- An explanation of the payment progress
- An extension of the registration deadline
- Transport information

There are some videos in International Sign. Therefore, we kindly request you to read this important announcement in detail and also watch the videos on YouTube.

Lastly, the second and third announcement, including a handbook, will be published in May/June 2023. Please keep an eye out for those. If you have any questions or concerns, please let us know via [jrcamp2023@eudy.info](mailto:jrcamp2023@eudy.info) with a clear mail subject. Thank you!

We are excited to welcome you to our upcoming camp this summer!

Warm regards,  
Camp Organizing Committees (COC)

## COVERING THE TRANSPORT FOR ERASMUS+ COUNTRIES

The transportation (bus, flight or train) will be covered, but there are two different tables depending on whether you are from Erasmus+ partner countries or not.

### Erasmus+partner countries:

# 70%

Participants and leaders from Erasmus+ partner countries will receive 70% coverage for their transportation cost. However, they have to pay the remaining 30% themselves. Please check the table on the next site to see the limit of what we can cover for your transport cost. If the cost of your transportation booking exceeds this limit, you will have to pay a different price. We recommend you to look for transportation options that are within the limit in order to avoid paying more.

### GREEN TRAVEL

We encourage all countries to consciously avoid flights, if possible, in order to protect the environment.

### Reimbursement:

Once you have paid for your transportation, please send an invoice (including your arrival and departure schedule) via [jrcamp2023@eudy.info](mailto:jrcamp2023@eudy.info). After the camp, you will receive a reimbursement for 70% of your transportation costs.

## REGISTRATION PROGRESS

Registration of junior for EUDY Junior Camp is [here](#).

Registration of leader for EUDY Junior Camp is [here](#).

Guidelines for leader: there are two important documents in the registration for leader. Every leader has to read them thoroughly and sign the only document of ethical guidelines. Please send it to [arun@eudy.info](mailto:arun@eudy.info)

For all registrations: all YNADs are allowed to add a reserve of minimum 2 participants. They will be on the waiting lists. Let us know via [jrcamp23@eudy.info](mailto:jrcamp23@eudy.info)

### Deadline extension

The application for both registrations is the responsibility of YNAD. The registration deadline is on **30th of April 2023 at 23:59 CET**.

### The importance of diversity at camp:

EUDY and COC would like to empathize with the importance of diversity in the group of participants and leaders, such like DeafBlind, Deaf with additional disabilities BIPoC (= Black, Indigenous, People of Color), LGBTQIA+, Gender balance etc. We hope your YNAD to rethink about this selection progress. If you have any question, contact us via [jrcamp23@eudy.info](mailto:jrcamp23@eudy.info)

### For DeafBlind people:

We gladly announce that we got a project for providing interprets for DeafBlind people during the camp. If you have any questions, let us know via [jrcamp23@eudy.info](mailto:jrcamp23@eudy.info)

## PAYMENT

After the registration deadline on 30th of April 2023, you have to pay the camp fee within two weeks. After two weeks, we will send you a reminder via email. If someone does not pay the camp fee during the extended period, we may recommend you to select another participant from the waiting list.

**The payment deadline is on 14th of May 2023.**

For example, a country has four interested participants, but can only bring two participants due to capacity limitations. One of the two participants has not paid the camp fee, then a participant from the waiting list should be given the opportunity to attend the EUDY Junior Camp and pay the fee.

If you have already paid the fee, you will get a payment confirmation via email.
